

March 2022

*Hilsen Delegates:*

*It's that time again to think about cookies. Lots of cookies!*

*Our Sons of Norway District 2 convention will be held in Portland, Oregon this year at the Sheraton Airport Portland from Wed. June 1- June 4, 2022.*

*Grieg Lodge 2-15 will be hosting the convention and Marilyn Lewis and the Ladies Social Club will be managing the cookies on behalf of the convention this year. We are asking that delegates work with the President of their lodges to coordinate sending some cookies with their delegations to Portland. (Individual delegates are not responsible for baking cookies, but only encouraged to reach out to those in their lodge who would lead this.) These cookies are served with coffee at convention breaks (two times a day) and after lunch.*

*Each lodge is kindly requested to bake and send a few dozen HOMEMADE cookies. Traditionally these are Scandinavian cookies, but no one is going to turn away a delicious non-Scan homemade cookie!! It is important that they are delivered to the hotel at registration time, in non-returnable containers (since it would be impossible to keep track of who brought what containers.)*

*We would be grateful for you to let us know what your lodge's cookie commitment will be so we can be sure there will be enough cookies for all to enjoy.*
